Jeevkutumb Foundation is a non-profit organisation dedicated to supporting communities through initiatives in the areas of healthcare, education, and social welfare.

The Foundation undertakes various activities aimed at assisting vulnerable sections of society, including the organisation of health camps and medical assistance programmes, provision of educational support, initiatives for the welfare of senior citizens, and distribution of food and essential supplies to underprivileged families.

In order to continue and expand these initiatives, the Foundation seeks the support and contribution of individuals and organisations. Any contribution, irrespective of the amount, would significantly assist in furthering these efforts and reaching a greater number of beneficiaries.

Donations made to Jeevkutumb Foundation are eligible for tax exemption under Section 12A and Section 80G of the Income Tax Act, 1961.

Those who wish to contribute or require further information about the Foundation's work may kindly get in touch using the details provided below.
